

Adding Text and Titles

- 1] Click **Titles** in the Design Panel.
- 2] Select the **Action** of the Title.
- 3] Choose a **Font Style** and adjust the size by moving the **Font Slider**.
- 4] Type the title or text in the boxes provided.
- 5] Click **Preview** to review the Title settings.

6] Click and drag the selected **Action** of the Title, then drop it on the clip that will hold the title.
